##### **1. Introduction**

- 1.1 Under section 38(1) of Anti-Money Laundering and Counter-Terrorist Financing Ordinance, Chapter 615 (AMLO), must not operate a money service at any premises other than those specified premises unless the Commissioner has, on an application of the licensee, added the new premises to the licence. In this connection, the licensee is required to make application to the Commissioner of Customs and Excise (CCE) for seeking approval by submitting Form 5 Application to add New Premises used for the operation of a Money Service.
- 1.2 Under section 39(1) of the AMLO, a licensee who is not required to operate a money service at particular premises must not operate a money service at any particular premises unless the CCE has, on an application of the licensee, added the premises to the licence. In this connection, the licensee is required to make application to the CCE for seeking approval by submitting Form 5 Application to add New Premises used for the operation of a Money Service.
- 1.3 In respect of application to add new premises used for the operation of a money service or to operate a money service at particular premises, the licensee must make the application in the form and manner specified by the CCE and pay the fee specified in Schedule 3 of the AMLO. For details of the application fee, please refer to the [Appendix A](#).

##### **2. Business premises to be used in the operation of a Money Service**

Licenses are NOT required to apply for adding new premises unless the licensee operates a money service in particular premises as stated in this Part. The following examples of modes of operation are not considered as operating a money service at particular premises:

- (i) operating a money service without any fixed premises, e.g., door-to-door
  - (ii) service; meeting customers at customer's office; or
  - (iii) conducting transactions only with the use of mobile electronic devices.
- 2.1 Here are some examples of particular premises for operating a money service
- (i) the premises are holding out for operating a money service;
  - (ii) the premises are advertised (including a name plate on display) for meeting customers; and the premises
  - (iii) are regularly controlled by the licensee, e.g. being a landlord or a tenant.

However, premises are not treated as particular premises for operating a money service if the licensee is only a customer or visitor at premises such as dining establishments or banks, or at accountant or solicitor firms merely for processing accounting or legal documents for your company.

2.2 Particular premises should be accessible by C&ED officers for the enforcement of the AMLO.

2.3 Premises falling within the following categories need not be registered:

- (i) which are located outside Hong Kong;
- (ii) which are not mainly used to operate a money service, e.g. premises solely used for:
  - storage of business records
  - staff training

### **3. Eligibility Criteria**

Particular premises intended to be used for the operation of a money service should be suitable for such use. In case where the premises are mixed commercial and residential premises, the applicant should obtain a written consent from every occupant, (a person who usually resides at the premises) for any authorized person as defined by section 8 of the AMLO to enter the premise for the purpose of exercising the powers under section 9 of the AMLO.
